## Students' Holiday Options

### Course Duration:

The course includes 25 weeks of study + 8 weeks of holidays = 33 weeks in total.

- **Holidays are non-consecutive:** 1 weeks at the start of the course + 7 weeks at the end.
- \*Courses which include the Christmas holidays will have 1 weeks at the start of the course + 2 weeks during the Christmas holidays + 5 weeks at the end.
- 1-2 weeks at the end of the course are flexible (i.e. may be taken earlier in the course); all other holidays are fixed and cannot be changed.
- Learners who wish to take their flexible holidays earlier in their course must submit a holiday request online via their login ([student.liffeycollege.ie](http://student.liffeycollege.ie)).
- **Holiday requests are subject to the following conditions:** learners must have completed 12 weeks of study and have satisfactory attendance (minimum 85%) at the time of the request.
- Learners who interrupt their studies with their flexible holidays will have to study proportionally longer in order to complete 25 weeks of study in total. It is each learner's responsibility to keep track of their study end date (this information is available in their login - [student.liffeycollege.ie](http://student.liffeycollege.ie)).
