The Policy and this summary also contain a number of *Conditions Precedent* that you must comply with to be able to make a claim. You may be responsible for the costs of treatment at any other hospital if you have not already obtained agreement for its use.

All Student Academic Protection (ASAP) is designed to protect *Covered Students* from non-EU countries attending an *Academic Course* in *Ireland* against:

- liability for *Bodily Injury* caused to others and liability for damage to third party property
