Students' Holiday Options

Course Duration: The course includes 25 weeks of study + 7 weeks of holidays (non-consecutive: for example, 2 weeks of holidays at the start and 5 weeks at the end of the course) - 32 weeks in total.

Students must take 2 weeks of holidays at the start of their course. Students may request to take a maximum of 2 weeks of holidays in the middle (after 12 weeks of study) instead of 5 weeks at the end of their course - in which case they must submit a request form to the office.

Note: Starting 12 June 2017, the total weeks of the course will be 33 (25 weeks of study + 8 total weeks of holidays).

Christmas Holidays: The school is closed for 4 weeks over the Christmas holidays. Students must take these 4 weeks of holidays if their course falls during this period. In addition to the Christmas holidays, these students will have 2 weeks of holidays at the start of their course and 1-2 weeks at the end (7-8 weeks total).

If their course does not fall during this period, students will be given 2 weeks of holidays at the start and 5-6 weeks at the end of their course. **Note:** Before a holiday request can be granted, students must have completed **12 weeks** of study and have an attendance percentage of at **least 85%**. Furthermore, the requested holidays must not conflict with the College timetable. **Note:** It is students' responsibility to follow up on all requests with members of the administration. **All students must follow and familiarise themselves with their course timetable.**
